Rajakaryaprasaktha
M.N.Krishna Rao, Esq., B.A.,
Financial Secretary to Government,
Bangalore.

Sir,

In continuation of this office Un-Official Reply No.2373 S1 dated 8th December 1922 regarding the issue of one consolidated stock certificate in respect of the holdings of Muzrai Institutions in the State Loans, I have the honor to state that the Muzrai Commissioner is agreeable to the proposal of issuing one consolidated stock certificate for each loan in respect of Muzrai Investments and the procedure indicated in your Un-Official No. 1870 dated 22nd November 1922 will be followed. A copy of the letter No.C.313 of 22-23 from the Muzrai Commissioner on the subject

subject is forwarded herewith.

I have the honor to be,

Sir,

Your most obedient servant,

Comptroller.

MSR/5-1

Copy of letter No.313 of 22-23 dated 21st December 1922 from the Muzrai Commissioner in Mysore, Bangalore, to the Comptroller in Mysore, Bangalore.

=======

In reply to your letter No.2374/S1 dated the 11th instant proposing the issue of one consolidated stock certificate for each loan in connection with the investment of the 7½ lakhs of Muzrai Funds in the State Loan of 1920 and requesting to be informed of my views in the matter, I have the honor to state that the procedure now suggested seems to me to be quite convenient in view of the fact that according to the rules relating to these stock certificates, interest warrants are made payable to the order of the registered proprietor (in this case the Amildar of the Taluq for the particular institution concerned) and sent from the Comptroller's Office to the treasury upon the due date without further application (by the donors in the case of Puduvat amounts) and this ensures the regular performance of the sevas to the satisfaction of the devotees. The prompt payment of interest for credit to the funds of the institutions concerned with a view to

the

the amounts being drawn as required is most essential and so long as this is assured in the manner detailed in your letter, this form of investment being very convenient may be adopted with advantage.
